广东欧美特光电科技有限公司

# Omita Lighting was established in 2009.

As an outstanding designer, producer and exporter of decorative lighting fixture and Custom made lighting fixture, our products and service have been approving by customer wroldwide.

Our factory located at Dongguan City with 6000M2 Factory workshap, 2000M2 warehouse and 400M2 Showroom. We also have a professional team from designing, manufacturing and QC controlling, and Marketing and sales team. Our Products and service has been expanding to over 27 countries, Europea and USA as the Main Market, however we also have business in those high speed developing countries including Brazil, Chile and South Africa, Nigeria, Malaysia. Most of our products are CE Rohs certificated, and for sure also have UL and SAA.

Listening for different idea from globe customers, melting different industry elements world wide, absorbing last high tech as possible, but never change our primary mind -The enthusiasm for the things well made and the products affordable for a wide bracket of public.

Brother company--Bofa Bulb, a professional and leading producer of decor bulbs, and own its reputation worldwide.

Keep going with Lighting is only thing we do.
